Installing Sliding MinPD

1. In your web browser, navigate to <http://biorg.cis.fiu.edu/SlidingMinPD/SourceCode.htm>
2. Download and unzip the zip file. (<http://biorg.cis.fiu.edu/SlidingMinPD/Files/SMinPD1.2.zip>)
3. Windows users: your executable is:

`"MinPD.exe"`
4. Linux users:
 1. Type "make" in the unzipped directory.
 2. Your executable is:

`"minpd"`
5. Copy the executable to one of three places:
 1. A directory in your executable path:
 1. For windows try `"c:\windows"`.
 2. For linux try: `"/usr/local/bin"`.
 2. If you don't have access to a global path directory, choose the directory that vPhylomm is in.
 3. If that is also not possible, use a directory of your choice (including not copying it all).
You will need to remember this directory later.
